HOW TO COME DOWN

Scrub · Nail Kit · Body Butter

One ladder, three products

ANCHOR	ANDORRA PRICE	MINIMUM
€80	€60	€30

€80 **Europe Price Anchor** ANCHOR

"In Europe each of these is €80 — here in Andorra they are €60 each."

€60 **Andorra Price** NORMAL

"One jar on its own is €60 — but nobody takes just one once they hear the offer."

€120 **Buy 2, Get 1 Free** OFFER

3 × €40

"Take any 2 and the third one is free — €120 for 3. Mix them however you like: scrub, body butter, even a Nail Kit."

€120 **Buy 2, Get 2 Free** OFFER

4 × €30

Only for a group, or at Christmas. Never volunteer it to one person.

"We have buy 2 get 1 — but listen, for you I'll do buy 2, get 2. Same €120, and you walk out with 4. That is an amazing deal."

€60 **Buy 1, Get 1 Free** OFFER

2 × €30

They love it but do not need three. Shrink the ask, not the value.

"My last customer only took one. Let me do something nice for you — buy one, and I'll give you the other one free. I'll staple both receipts together. €60 for 2."

€30 **Final Push — Single** MINIMUM

Only when you can SEE they love it — they have not stopped touching their hands.

"You really love it, don't you — you haven't stopped touching your hands. Alright: €30 for the one. But zip it, this stays between us."

PROOF MOVE — THE FLIP TEST

"Watch — I turn the jar upside down and nothing falls out. That is how dense the butter is."

- These three share one ladder: same anchor, same bundles, same minimum. The product changes, the numbers do not.
- The €120 rungs are BUNDLES, not increases. Always say the per-unit price out loud — that is where the argument lives.
- These are beginner products. They are for learning to sell and for good energy. The syringe is the star: if you finish the day pleased with a nail kit, you aimed low.
- The buffer warranty is real and it is the only one we give: bring the old one back, get a new one, forever. Say it with confidence.
